

YOU'VE GOT CONNECTIONS

Cigna and PlanSource are working together for your success.

The world and employers' needs are evolving quickly. But, so are we. Through our strategic alliance with PlanSource's Boost Program, Cigna delivers valued and integrated health, wealth and life benefit solutions via sophisticated benefits administration and automation. The result is an affordable, predictable and simple experience that's easier for you, employers and employees alike.

Affordable: Streamline the cost of providing benefits so employers can control their health care budget and offer employees the broadest suite of products available.

- › Reduced costs for software, implementation fees and administrative burdens through integration, implementation and administration efficiencies
- › Simplified self-billing included
- › Hosted enrollment process that saves everyone time and money
- › Value-added programs and services at no additional cost¹

Predictable: Take advantage of enhanced and reliable capabilities for brokers, employers and employees that help improve efficiency.

- › Responsive data sharing including Application Program Interface (API) integration, automatic claims submissions² and established best practices for smooth client implementation
- › Pre-built Cigna product offerings for repeatable client setup experience
- › Access through single sign-on (SSO) for Evidence of Insurability, and future integrations for myCigna® website, provider directories and more
- › Customer-centric retail-like shopping experience, with education and cost-transparency tools that support confident benefit decisions

“

The fact that once it's set up, there's really not a lot for me to have to do. I literally just go in and make changes and everything else is done in the back end. I don't really have to worry about it.”

— Kitty C., Human Resources³

Simple: Leverage our collective technology, expertise, solutions and dedicated teams to make offering benefits easier.

- › Easy-to-use benefit administration solution that leverages cloud-based technology to help employers with benefits shopping, enrollment, billing and compliance
- › Dedicated resources who provide specialized customer support and assist with plan administration to help make it easier for you and your employees
- › Simplified administration through the selection of more Cigna products that work together and are supported through PlanSource's simplified self-billing service for HR ease
- › Innovative yet intuitive enrollment design and customer-friendly materials that maximize the enrollment experience

Together, all the way.®
